Lough Gur is at the heart of a remarkable archaeological landscape featuring sites that represent every major period of human history in Ireland. The exhibition is suitable for all ages and brings everyone on a journey through the history of Lough Gur. All tour options have been developed in accordance with the history and geography curriculums. There is also a fairy trail and tree trail located onsite suitable for entertaining junior classes.

## STANDARD GUIDED LOUGH GUR TOUR

Standard Guided Lough Gur Tour lasts 2/2.5 hours, a guide will take you to a number of sites located here at Lough Gur providing historical information on each site, the fully trained local guide will also have an immense collection of folklore stories associated with the lake. The sites which they may visit (weather depending) are The Great Grange Stone Circle, Tempall Nua (15 century church), Giants Grave (megalithic wedge tomb), Carraig Aille (5th century ring forts) and the lake front - taking in information on Bouchier's Castle, Bolin island (Crannóg), Hangman's rock and entrance to the Heritage Centre.

**COST: €8 per student or €6 between January and April**  
Exhibition Experience only is €2 per student.

## EDUCATION WORKSHOPS

- Add Education Workshop for an extra €2
- Nature Workshop
- Wildlife at Lough Gur
- Generate creative map of Lough Gur
- Housing in Neolithic Ireland

Lough Gur also provides fully accredited CPD courses for teachers throughout the year. The objectives of the courses - are to assist participants to develop a cross-curricular approach to teaching Science, Technology, Engineering and Maths (STEM) using Space as a theme. The courses have an emphasis on inquiry based learning and provide opportunities to apply skills and knowledge to real life situations. The main curriculum areas covered by the courses are SESE (Science, Geography) and Mathematics. Information on courses available on the website throughout the year.
